

Fire Safe Sonoma Sudden Oak Death Project

Thanks to a generous grant from the Bureau of Land Management, in November, 2007 Fire Safe Sonoma will be launching a program to help homeowners deal with the build up in fire fuel that Sudden Oak Death causes. Grants will be made both to individual homeowners and to homeowners groups that want to use funds to pay for a community chipper. The grant process will be competitive and the grant period will start in November, 2007.

Please fill out this form so we can add you to the list of potential participants. Thank you!

Date:

Name:

Telephone: _ Email:

Address:

City/Zip: Nearest Cross Street:

Are you the owner of the property? Yes [] No []

Owners Name (if different): _____ Contact Phone (if different): _____

Approximately how many SOD trees within 150' of your home: _____
