

GRANTS FOR WILDFIRE RISK REDUCTION

The state is investing \$2.6 billion for wildfire prevention and response. Most of these grants are accessed by local governments and community based organizations like Firewise Councils.

We encourage you to visit the [California Grants Portal](#), a project by the California State Library, which can help you find all grants and loans offered on a competitive or first-come-basis by California State Agencies. <https://www.grants.ca.gov/>

Following please find direct links to the State and Federal Agencies responsible for managing Fire Prevention and Mitigation Grants:

Cal Fire

California Climate Investments Fire Prevention Grant Program – 4 year grants
